

“Prepared is Protected”

Join Us October 25th, from 1-5pm at the Red Cross located at 1401 S. Grand Traverse St. on the 2nd floor in the board room.

Empower yourself, be prepared and help us build a safer community!

Volunteer Opportunity:

Prepared for a disaster, or don't know what to do? Educate yourself, and help us reach 1,200+ Flint households this year by becoming trained in Red Cross emergency preparedness and then paying it forward. **“Get a kit, make a plan and be informed!”**

Free Training:

You'll be trained in how to share preparedness education with your friends, family and neighbors through the **“Red Cross Ready”** program. Receive your free emergency preparedness manual or training kit and outreach supplies - then go into our community to help educate your neighbors.

Provide episodic and community workshop training events in how to:

- **Build your own emergency kit**
- **Make an emergency plan**
- **Be informed**

Contact:

Learn more by contacting the Red Cross at (810) 235-1030 ext. 424 and ask for Shawntae Harris, or call Mark Smith at (810) 308-2703.
