

# Become a Home Fire Preparedness Volunteer

Seven times a day, someone in this country dies in a home fire. The American Red Cross has launched a nationwide campaign to reduce this number and our volunteers can help save lives and prevent injuries.

There are many ways you can be involved:

- Go door-to-door and speak with residents about the importance of smoke alarms and promote the free smoke alarm installation service.
- Organize canvassing events and help residents develop a fire escape plan and complete a fire-safety checklist.
- Install smoke alarms, replace batteries and teach residents how to test and maintain their smoke alarms.

## Home Fire Preparedness Volunteer Information Session

**Thursday, February 5th**

**4:00pm-5:00pm**

**American Red Cross**

**1401 S. Grand Traverse St. Flint, MI 48503**

**American  
Red Cross**

*If you have any questions, or would like to RSVP for the Volunteer Information Session, please contact Shawntae Harris at [shawntae.harris@redcross.org](mailto:shawntae.harris@redcross.org) or (810) 893-6639.*
