### **What is the *Speak To Your Health* Community Survey?**

The *Speak To Your Health!* Community Survey examines a wide range of issues related to individual and community health in Genesee County, Michigan. This biennial survey is designed by community, health department, and university partners and has been conducted in since 2003.

Results of the survey are available to all Genesee County residents and can be analyzed by gender, race, age, and across time, and mapped geographically to determine trends by neighborhood, zip code, or county. Results from the survey can be used for health program planning and evaluation, grant proposals, community education, and policy development.

Survey topics include physical and mental health, neighborhood safety, physical activity, nutrition, health care access, cancer, diabetes, sexual health, and smoking.

Results of the survey are available from the *Speak To Your Health!* Website: <http://speak.gchd.us>
