

YOUTH MEETING

Flint Resiliency In Communities After Stress and Trauma (Flint-ReCAST) Program

Wonderful news! - our community was selected as one of the few areas across the nation to receive funding to implement the Flint-ReCAST from the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services.

The Flint-ReCAST will promote resilience, community empowerment, and long-term well being for area families and youth, given the stressful situations faced by people in Flint and surrounding areas.

WHO: Flint area YOUTH, through age 21 years, and their families
WHEN: Tuesday, November 29, 2016, 6-8 pm
WHERE: Flint City Hall Dome, 1101 S. Saginaw Street

WHAT WE ARE ASKING: We would like to ask YOUTH (through age 21) about Youth needs, resources, and activities that would be most valuable to Youth. This process will directly influence how the ReCAST funds will be used. Please come tell us directly what you hope to see happening here to support you!
