

Breastfeeding Basics

**Monday, July 29th
8:00am-5:00pm**

What is Breastfeeding Basics?

A training for non-breastfeeding professionals and community members that provides up-to-date information regarding normal breastfeeding and common challenges for mothers and family members. Persons who complete this training are able to advocate for breastfeeding, provide factual information to families, and communicate why breastfeeding is best for both mother and baby. Attendees will also learn about breastfeeding support and education provided by WIC, as well as other community breastfeeding resources.

Genesys Conference & Banquet Center

805 Health Park Blvd.

Grand Blanc, MI 48439

Attendance is free and continental breakfast and lunch will be provided.
