

COVID-19 TRAVEL GUIDANCE

STAY SAFE WHILE YOU TRAVEL

- U.S. travelers are advised to **avoid layovers** in countries experiencing widespread COVID-19 transmission
- CDC recommends **avoiding cruise ship travel**
- Avoid close contact to persons who are sick with **fever and cough**
- Avoid touching **eyes, nose, and mouth**
- **Disinfect** frequently touched surfaces and objects
- **Wash hands** with soap and water often
- **Stay home** when you are sick

If you experience any signs and symptoms, **seek medical care** with your primary care physician or urgent care facilities

* Please call ahead so they are prepared for your visit

.....
At this time, U.S. travelers are advised to **be aware & stay informed** when planning travel:

- Monitor your health
- Seek care if you begin experiencing signs and symptoms of illness

For up-to-date travel guidance visit the CDC's website:
