

**KEEP GENESEE COUNTY BEAUTIFUL
2020 NEIGHBORHOOD PROGRAM REQUEST**

We've been awarded a grant from the Community Foundation of Greater Flint that will be used to provide neighborhood-based, socially distant, safe programs. Funding is limited and we may not be able to fund a program in every neighborhood.

In order to qualify, your neighborhood must agree to the following:

1. The Neighborhood Organizer will survey residents to find out what kind of program they want.
2. Neighbors can participate, but they must stay in their own yards, on the sidewalk in front of their house, or in their driveway.
3. Streets will not be closed.
4. To start, neighborhoods will be eligible for one program. If funding allows, we may be able to add an additional program.
5. The Neighborhood Organizer will let us know how many people participated.
