

LISC AMERICORPS

Full-time Service Opportunity with Neighborhood Engagement Hub

Neighborhood Engagement Hub and Local Initiatives Support Corporation are seeking a full-time AmeriCorps member to serve as a Neighborhood Liaison. We are recruiting a full-time AmeriCorps member to be a part of our team for 10 months. The position will remain open until filled. The exact start and end date of the contract position is confirmed by the Member Agreement of Participation that will require signature prior to the start of service. This is an AmeriCorps position and the individual selected to serve is not considered to be an employee of Neighborhood Engagement Hub or LISC.

WHAT WE DO

Neighborhood Engagement Hub began in the fall of 2014, when a group of active residents joined together to build community through civic engagement. The mission of the organization is to strengthen and restore communities by providing a source for information, education, facilitation, project development, advocacy and supportive equipment and materials. To do this, the Neighborhood Engagement Hub: 1) operates a community tool shed that provides residents and community groups access to free or low-cost tools and equipment for blight elimination and property maintenance; 2) provides community development services to help neighborhood groups achieve their goals; and 3) offers a space to host meetings, conduct programs and build community.

With residents and partners, LISC forges resilient and inclusive communities of opportunity across America – great places to live, work, visit, do business and raise families. Over the last 38 years, LISC and its affiliates have invested approximately \$22 billion in businesses, affordable housing, health, educational mobility, community and recreational facilities, public safety, employment and other projects that help to revitalize and stabilize underinvested communities. Headquartered in New York City, LISC's reach spans the country from the East Coast to the West Coast in 36 urban markets from Buffalo to San Francisco and 2,200 Rural counties.
